

Video Resolution Set-up for Instructors:

When recording PowerPoint Screen, be sure to record at minimum **FHD (1920x1080)** or at Full Screen mode. Web cam should be at at least **1920x1080** as well.

When beginning a new Camtasia Project, make sure the dimension size is at **1920x1080** under **Properties**. **4k** resolution will only be needed in cases of closeups done by an instructor.

Outcome:

1920x1080 outcome in Kaltura at Full Screen Mode.
